Board Member Message by Connie Masuoka

Dr. Hatsumi Park, Terry Kawamoto, Kay Endo, Dr. Jim and Amy Tsugawa, Mariko Locke, Gordon Osaka, Dr. Ray Onchi, June Moriyasu, Kurtis Inouye, Michelle Sugahiro, Kirk Tambara, Chip and Setsy Larouche, Dr. Aimee Fujioka, Terry Yamada, Ron Iwasaki, Sumiko Ikata, Nobu Masuoka, Jeff Yoshida, Dr. Dale Ogata, Dr. Shoun Ishikawa, Yoji Matsushima, Ron Ikata, Koji's Restaurant, Dr. Lisa Kakishita, Rich Iwasaki, Koida Nursery, Iwasaki Bros, Inc., Masamichi Nitani, Janie and Hiroshi Matsushima, Lori and Ray Fukunaga and all those who purchased the special \$20 raffle ticket special, thank you so much for supporting the 2015 Annual Nikkei Community Picnic with your cash and item donations. Through your support it makes it possible to have the "icing" that makes the Picnic so outstanding.

And the Picnic would not be possible or as long lived without the support and leadership of our churches and organizations – Portland JACL, Gresham-Troutdale JACL, Oregon Buddhist Temple, Daihonzan Henjyoji Temple, Johrei Fellowship, Nikkei Fujin Kai, Japanese Ancestral Society, Oregon Nisei Veterans, Inc., Oregon Hiroshima Club, Velela Club, Hyakudo Kai, Nichiren Buddhist Temple, Friends of Japan in Oregon, Oregon

Nikkei Endowment, Portland Taiko, Unite People, Ikoi no Kai Lunch Program and Nichiren Shu Minoru Kai.

At this point you might be thinking what an odd way to start a newsletter but in newspaper jargon I wanted this mention of names "above the fold" the most coveted placement for an article is the top of the front page because these are the people that make the Nikkei Community Picnic the event of the summer. It is their support and belief in community that enable us to produce this event annually.

On Sunday, August 16 under the big tent at Oaks Park, 18 organizations and churches hosted what may be currently the largest Nikkei Picnic West of the Rockies with around 300 people in attendance. The numbers spanned the demographics with the oldest person at 102 years old and a couple of infants under the age of 1 year old. There were 2 families where 4 generations were present. And we had people come from Seattle, WA, Ontario, OR, and I believe Alabama (this is Amy Peterson's cousin) and Japan.

There was lots of terrific food but as always the sushi and spam musubi went out first. Oaks Park Special fried chicken was as I was told "finger licking good" and there was a huge array of (many looked to be homemade) noodle, vegetable, salad dishes and lots of desserts. We rounded out the afternoon with ice cold

organic watermelon expertly cut by Terry Nishikawa (G-T JACL president) and artisan shave ice made by members of Unite People. Next picnic try the fully loaded shave ice with sweet red beans and condensed milk, wow.

We were entertained by a rousing performance by Portland Taiko who also held a mini workshop at the Picnic that let picnickers try their hand at wailing on the taiko. This year we got to meet with the author, Lori Whaley (George Tsugawa's daughter) and hear about her book "The Courage of a Samurai".

And as always there was bingo. This year expertly called by Philomena Muldoon and Chris Lee (Portland JACL board member). We also had a fabulous raffle which was run by Chip Larouche

(JACL National Vice President of Planning and Development) assisted by Marleen Wallingford (Portland JACL Vice President) and Setsy Larouche (Portland JACL Membership Chair)

Now that I have given you the quick synopsis of the best event of the summer what is the message. It is great to see that the Nikkei community is robust, healthy and growing and willing to participate and support a bonding event where they can meet old friends, make new friends and create great memories for children and grandchildren. Please help us to maintain this great tradition of our community by marking your calendars and joining us Sunday, August 21, 2016 for the best Nikkei Picnic in the West.

70 Years After Hiroshima and Nagasaki: The Ever-Present Nuclear Threat

Article by Marleen Wallingford

This year marks the 70th anniversary of the dropping of the atomic bombs on the Japanese cities of Hiroshima and Nagasaki. These terrible weapons of destruction were used on civilian populations on two major cities of Japan.

Michiko Kornhauser, a survivor of the event, lived in Okayama which is a suburb of Hiroshima when the uranium fueled bomb was dropped. Twenty-five percent of her classmates died in that blast. There was a bright flash in the sky and she noticed multi-colored ash falling from above which covered the streets and houses of her neighborhood. Her family took in a teenage boy who had lost his parents and brother in the bombing. In the aftermath, he had gone into the city to search for his missing brother.. He walked up and down the streets of the city not realizing that he was exposing himself to massive amounts of radiation. He eventually found his brother's bloated body but that was not the end of the story. He began feeling tired. His hair fell out. Michiko and her parents had no idea what their young friend's problem was. He

soon died and they did not realize until much later that he had died of radiation poisoning.. He and his entire family were killed. More people died of their injuries and radiation exposure than were actually killed in the blast.

The event was opened and closed with the drums of Portland Taiko. Our emcee was Polo Catalani from the Office of Equity and Human Rights. The Tomodachi Chorus performed as well as Joy Yuzuriha, a student of Sahomi Tachibana. Two other speakers shared their stories. Joe Enlet, president of the COFA Alliance National Network talked about his home the Marshall Islands and the effect nuclear testing has had on this homeland. He spoke about the horror of mothers giving birth to jellyfish babies, infants who are born with no bones. Peace and anti-nuclear activist, Carol Urner who helped organize the first Hiroshima and Nagasaki commemoration, urged support of the Iran nuclear agreement and expressed hope for the future.

Remembering this awful event in our history's past reminds us that nuclear weaponry's power has the ability to destroy our enemy but also ourselves.

Concordia University Exhibit *HIROSHIMA – Never Again*

Article by Marleen Wallingford

The Wholistic Peace Institute and Hiroshima Ground Zero Museum presented a travelling exhibit from Hiroshima, Japan at the George R. White Library and Learning Center on the Concordia University campus. On August 6, there was a commemoration ceremony of the 70th anniversary of the bombing and the opening of the exhibit. Prayers were given for the 250,000 who perished and to reduce and eliminate nuclear weapons in the world. A representative from the City of Portland

read a Proclamation joining Mayors for Peace supporting never using nuclear weapons again. The exhibit includes posters and photographs of the atomic bomb damage. Artist Yukiyo Kawano exhibited journals, fine art, and replicas of the atomic bombs Fat Man and Little Boy. The exhibit runs at the library through September 30, 2015.

The ceremony was concluded with a luncheon featuring Mr. Ed Kawasaki, Hiroshima atom bomb survivor who spoke about what it was like to be in the city of Hiroshima when the bomb exploded. He was very fortunate to survive this horrific event.
