

# PORTLANDJACL

SUPPORTING CIVIL RIGHTS SINCE 1928

Started in 1928, the Portland Chapter of the Japanese American Citizens League is the largest chapter in the national organization with over 400 individual, student, and family memberships. Our mission is to celebrate Japanese American culture and promote human and civil rights for all. Your sponsorship will help us further our advocacy mission while also increasing your visibility in the local Japanese and Japanese American communities. Each year we hold annual programs such as Day of Remembrance, the Nikkei Community Picnic, and a General Membership Meeting. Additionally, we host speakers, film screenings, and other community events throughout the year. We welcome you to the community!
